**Vocabularies:** Try to memorize these words yourself without looking at the Japanese translations.  
**For Teachers:** Have the student read the word in English, correct their pronunciation then say it together. Then have the student say it in Japanese before saying again in English. After you have done this for each line, go back to the first word and have the student translate it.

119. (36) 1 fashion 2 health 3 vacation 4 information
