B: Hey, you're looking at my broker! I do all my own trades these days. Courtesy of the internet!

A: Is that so? Where did you learn to do that?

B: It's easy. I'll give you the addresses to some sites that will show you how to do it. The tricky part is researching the market and predicting which stocks to invest in.

A: What factors influence how you trade?

B: I just catch the news and keep alert to what's in the wind! Having women's intuition doesn't hurt, either.

A: I guess you have me beat, there.
