A: Isn't the subway faster than the bus?

B: Sure, providing that you live near a station. But I live in kaisoku, and they still haven't cut the ribbon on the kaisoku station. It was supposed to have opened in February which would have made my life a whole lot easier.

A: I thought you were going to start riding a motorcycle. Didn't you buy a used bike last month?

B: Yeah, but I chickened out and sold it. I thought that commuting with the bike will be in a snap, but I changed my mind in a hurry after a few hair-raising experiences on the roads. Those delivery guys on bikes of this country must have a death wish.
