

## Part 4: Short Talks

Directions: In this part of test, you will hear several short talks. Each will be spoken just one time. They will not be printed in the real TOEIC test book, so you must listen carefully to understand and remember what is said.

In the TOEIC test book, you will read two or more questions about each short talk. The questions will be followed by four answers. You are to choose the best answer to each question

### 1. Who is most likely listening to the talk?

- A. Health-insurance customers
- B. Life insurance sales people
- C. University business students
- D. National government officials

### 2. What is the main purpose of the talk?
