Ahead - means further along in development or achievement.	<i>Sophie is way ahead of the rest of her class.</i>
Birthday - the day that is an exact year or number of years after a person was born.	<i>Today is my mother's 49th birthday.</i>

Dialogue Reading:

Happy Birthday!

Mom: Kids, your dad's birthday is coming! He will turn 50 December 25.
What you think we should do?

Alice: I'd love to have a big party since daddy is turning 50 and it is
Christmas too!

Eli: Hmmm. Maybe we can have a family gathering, mom. You know we
can invite our relatives who live far from us and have a reunion.

Mom: Well, both your ideas are very good. But, let's think of something
