Your teacher can send you the complete material.

Please ask them to send the complete version of this material before the lesson.

No, I don't. I am not very worried about the contents of the food I buy.

6) Do you think food labels are important?

Yes, I do. There are many people who have allergies to things such as peanuts who need to know if the products contain them.

This document is for use in eTOC training sessions, use outside of eTOC is strictly prohibited.

7) What sort of information do product labels usually contain?

They usually contain the ingredients, the number of calories and the amount of things such as fat and vitamins.

8) Why is it important for companies to accurately label the food they produce?
