classroom discussions?

I think things like politics and philosophy would be good topics for classroom discussions.

7) Why do most classes have students simply listen quietly to the teacher?

This document is for use in eTOC training sessions, use outside of eTOC is strictly prohibited.

Because there is usually a lot of things the teacher needs to tell the students.

8) Why is having classroom discussions important?

Because it is the only chance students have to practice communicating their ideas and to find out more about their classmates.
