G2 Reading & Speaking Practice Lesson #4

Story

At most companies, **full-time employees** have to come to work at the same time. These days, however, some companies have introduced a **system** that **allows** employees to decide when to start working. Employees use this system so that they can

everyone wasn't there at the same time.

6) Why do you think companies are more willing to be flexible on employee's worktime?

Because a lot of work these days is done on computers and it doesn't matter much when or where it is done.

This document is for use in eTOC training sessions, use outside of eTOC is strictly prohibited.

7) Do you know anyone who can choose their own working times?

Yes, I do. Since the coronavirus pandemic, many people have been working from home and can work when they want.

8) Why is it good for employees to be able to work when they want?
