

G2 Reading & Speaking Practice Lesson #47

Story

Sometimes, people are not at home when a package **is delivered**. **In these cases**, the package has to be delivered again. **In many parts** of Japan, however, convenience stores are offering a new service that solves this problem. People can have their packages

such a service?

Because if customers come to the convenience store to pick up their packages, they are likely to buy other things while they are there.

7) Why are more people having packages delivered to their home these days?

This document is for use in eTOC training sessions, use outside of eTOC is strictly prohibited.

Because online shopping has become more and more popular, so there are more packages being delivered to people than there were before.

8) Why is it important to have someone accept a package when it is delivered?

Because it takes a lot of time for drivers to drive to someone's house to deliver it again and if they
