## G2 Reading & Speaking Practice Lesson #5

### Story

Today, people often **exchange** messages on Internet websites. Although these websites are useful for getting to know other people, many experts say that it is still important to have **face-to-face** conversations. Some Internet **users** do not often

*the internet.*

6) Why do you think many people prefer to exchange messages on the internet?

*Because the people they send messages to can read the messages and reply whenever they want to rather than answering right away.*

This document is for use in eTOC training sessions, use outside of eTOC is strictly prohibited.

7) Which do you do more, send messages to your friends or have face-to-face conversations with them?

*I send messages to my friends much more often than I have face-to-face conversations because we are busy.*

8) Why is it important to have face-to-face
