special swimsuit.

No, I don't. My gym clothes are made from cotton.

6) Why are athletes interested in getting better results?

Because if they can become a little better, perhaps

they can win a gold medal for their country or make a lot of money as a pro athlete.

7) Do you think it is fair that some athletes can buy better equipment than their opponents?

I don't think it is fair and it would probably be best if everyone in the contest had access to the same things.
