GP2 Reading & Speaking Practice Lesson #1

Story

These days in Japan, using trains is becoming **safer** and more **convenient**. Many stations have **elevators** and **escalators** for **passengers**. Some stations put **safety** gates **along** the **platforms**, and by doing so they **keep** people **from falling onto** the **tracks**. In this

Your teacher can send you the complete material.

Please ask them to send the complete version of this material before the lesson.

7) What is something good about train service in Japan?

The trains are almost always on time and run frequently.

8) What are some negative things about train services in Japan?

This document is for use in eTOC training sessions, use outside of eTOC is strictly prohibited.

There are no trains between midnight and morning, so it can be hard for those who are out late to go home.

USE & PRINTING outside of eTOC are strictly PROHIBITED.
