

GP2 Reading & Speaking Practice Lesson #15

Story

Today at supermarkets, a new kind of **machine** called a **self-checkout machine** has become popular. Customers can **pay** for items **by themselves** with these machines. More and more supermarkets use self-checkout machines, and by doing so they are

Questions

1) What new machine has become popular at supermarkets?

Self-checkout machines have become popular.

2) What can customers do by using the machine?

They can pay for items themselves using the machine.

This document is for use in eTOC training sessions, use outside of eTOC is strictly prohibited.

3) How are more and more supermarkets helping customers pay quickly?

By using self-checkout machines.

4) Where will these machines probably be used?

They will probably be used at other stores too.

5) Have you used a self-checkout machine?

Yes, I have. I use a self-checkout machine every

machines?

More people can check out at once and the supermarket staff can focus on other things.

8) What are some bad things about self-checkout machines?

This document is for use in eTOC training sessions, use outside of eTOC is strictly prohibited.

Stores will employ less people as cashiers and that will increase unemployment.
