GP2 Reading & Speaking Practice Lesson #4

Story

These days, many young people have smartphones. They can use them to look for information or to **communicate** with their friends. However, some people **spend** a long time using smartphones at night, so they **have difficulty** getting **enough** sleep.

Since there aren't many pay phones anymore; I think it is necessary for young people to have a way to communicate with their parents easily.

8) What do you think about turning off your smartphone at night?

This document is for use in eTOC training sessions, use outside of eTOC is strictly prohibited.

I use my smartphone as an alarm clock, so I don't think I can do that.
