

TOEFL Junior : Reading Comprehension Test 15

Read the passage . 60 - 100 minutes

Joseph Pulitzer

Joseph Pulitzer was born in 1847 in Makó, Hungary. He emigrated to the United States when he was seventeen years old, and was naturalized on his twentieth birthday. He spent his career in journalism working in the mid-west and New York. From 1871 he was also the owner or part-owner of many newspapers. His most famous newspaper was the *New York World* (which many believe was the model for the *Daily Planet* of the *Superman* stories). The *World* campaigned against corruption, and exposed many scandals. It was also a strong supporter of the rights of the working man.

In later life, Joseph Pulitzer collapsed from overwork, and lost his sight. He became dedicated to improving the quality of journalism in America, and donated \$1 million to Columbia University to found a school of journalism. However, his most significant contribution was the establishment of the Pulitzer prizes in his will.
