PART 3

Directions: In this question, you will read a short announcement and then listen to a dialogue on the same topic. You will then answer a question about them. After you hear the question, you will have 30 seconds to prepare your response and 60 seconds to speak.

Announcement from the President

For the past five years, there has been no increase in tuition and fees have remained the same, but now the university has decided to increase tuition by 5% each year for the next four years for all students. This raise in tuition will begin next fall semester. This increase is due to increased costs in construction for our new projects as well as the need to upgrade our existing equipment. The increased revenue from tuition will help keep this university in top form as well as help our students stay competitive in an increasingly competitive world.

Listen to a Dialogue

Question: The man expresses his opinion of the announcement about the tuition increase. State his opinion and explain the reasons he gives for holding that opinion.

PART 4

Directions: In this question, you will read a short passage and then listen to a talk on the same academic topic. You will then answer a question about them. After you hear the question, you will have 30 seconds to prepare your response and 60 seconds to speak. You have 45 seconds to read the passage.
