## NOTICE POSTED AROUND THE LIBRARY

The library is a place for reading, working on research, or studying only. It is not a concert hall. It is not a chat room. It is not a dining room. It is not a motel. This means that you may not play loud music in the library, you may not talk in a loud voice in the library, you may not have food or drink in the library, and you may not stretch out and go to sleep in the library. Anyone who does not follow these rules to the letter will be asked to leave the library immediately.

Now listen to two students' reaction.

- (man) But it means we can't do anything in the library.
- (woman) Not exactly. We can study, we can do homework, we can work on research, and we can do all of these things in peace and quiet.
- (man) But so many of the students, myself included, like to talk to friends, maybe have a little snack, take a little nap if we get tired, play a little music to relax.
- (woman) I know. That's why students like me can't get any work done in the library.
- (man) I like to get some work done in the library, but I can't work all the time.
- (woman) Well, I'm glad this notice was posted, and now I only hope that it's enforced.
- (man) If it is, I may have to go somewhere else to work.
- (woman) (laughs) It's not the work that's the problem. It's the noise and the mess. I'm really glad something's finally getting done about this.
