

## INDEPENDENT QUESTIONS

- Q1: Who would you like to go on a trip abroad with? Describe this person and say why he/she would be a good travel companion for you.  
Q2: Which person are you most likely to go to with a personal problem? Describe this person and say why you would go to him/her in particular.  
Q3: Who is the most intelligent person you know? Describe the person and say why you think he/she is intelligent.

## INTEGRATED TASK

Now listen to a short conversation between a student and her friend.

**Question:** Describe the woman's problem and the two suggestions that her friends makes about how to handle it. What do you think the woman should do, and why?

Preparation time: 20 seconds

Speaking time: 60 seconds

- Student:** Oh. Still, that would cut down on the grocery bill.  
**Friend:** Yeah . . . Or, you know what? You could rent that extra room in your apartment. I'll bet you could get \$250 a month, at least.  
**Student:** I've been thinking about that. It would help with the rent and the utilities, and I wouldn't have to work so I could use my time for my classes, but, I keep thinking, what if my roommate doesn't pay on time, or what if there's a lot of noise.  
**Friend:** Well, you'd have to have a deposit and a contract . . . something in writing so you could keep the deposit if there were problems, and you could break the contract if it didn't work out.

**Narrator 1:** Describe the woman's problem, and the two suggestions that her friend makes about how to handle it. What do you think the woman should do, and why?
