Welcome to the annual neighborhood association meeting. We're also working closely with local authorities to address speeding on Oak Street, where new speed bumps will be installed next month. Another priority is expanding our recycling services to

include compost pickup. Informational brochures will be mailed to all households with details on acceptable materials and collection schedules. After these updates, we'll open the floor for questions and suggestions from residents. Your participation is essential to making our neighborhood a safer, cleaner, and more enjoyable place to live. Thank you for taking the time to be here tonight, and for your continued dedication to improving our community. Let's work together to make this year our best yet.
