Jane: But I'm broke. I've gone through my pay check for the week already.

Claire: Don't worry about it. It's my treat! I know a place where you will really love.

Jane: Wow, you're so generous! I would like that. So, where are you taking me?

Claire: Some place you've never been before, to my Kitchen!

Kate: Hello, Jun? This is Kate Merced. My plane had an electrical problem, so my flight from Australia was delayed and I missed my connecting flight here in Dubai. The earliest flight I can catch the plane leaves at 4:30 am and arrives in Canada at 7, so I'm going to miss the presentation at 3pm today.

Jun: I'm sorry to hear that, Kate. Unfortunately, we can't reschedule the presentation because Samantha White has come from Boston to give it, and she has to return tonight. But I'd like you to see it.

Kate: I know. Is there any way you could set it up as a video conference? That way, I could stay in Australia and participate online.

Salesperson: Ok, Mrs. Spears. Let me summarize your order. You want two cases of pink printer— one black and one coloured; 50 reams of copy paper—the bright white kind; and six cartons of legal envelopes; and 50 boxes of manila folders. Is it correct?

Mrs. Spears: Yes it is, and can I expect that to arrive within a week? We need it by next Wednesday.

Salesperson: With standard shipping, it will get there with 7-10 business days. If you need it sooner, we should use expedited shipping. That would cost \$40 instead of \$20 for standard, but it would guarantee arrival within 3-5 days.

Mar: Hey Ben. How's your research going for the board of director's report? Is there anything I can do to help?

Ben: Thanks for offering, Mar. I've been summarizing customer satisfaction surveys for each quarter of last year. It's pretty interesting. Actually, if it's not too much trouble, would you proofread my power point slides? I'll have them finished in about an hour.

Mar: Sure, no problem. E-mail them to me and I'll took them over. Did you discover anything interesting in reading the surveys?
