Many of your employees who smoke consider this a very harsh decision. They appreciate that non-smokers do not wish to be exposed to cigarette smoke, but they cannot understand why they are being treated as a second class citizens. They feel it is unfair to force them to have to go outdoors in order to smoke. You know that we get a lot of rain and cold temperatures in this area for a good part of the year. Should they go outside in the rain? Should they be out freezing weather?
