- most of them grow up with a respect for law and order.*
5. *Rime is often glamorized on TV, but there are also books and TV programs that inform the public about the harsh conditions in prisons and how much the victims of crime suffer, both physically and emotionally. These must surely deter some people who would otherwise have become involved in criminal activities.*
  6. *Finally, although some people argue that surveillance cameras invade our privacy, that is a small price to pay for the role they place in protecting us. Cameras stop many people from committing violent crimes. Even when such crimes do occur, the cameras can be used to help the authorities catch the perpetrators and bring them to justice.*
  7. *Violent crime will not disappear completely, but if we all work together, we can ensure that we live in a safe society, now and in the future.*
