4. *Naturally, international sporting events attract huge numbers of visitors from around the world. Thanks to media coverage, they also allow host nations to publicize their history and culture. This gives all tourism-related industries a boost that continues long after the athletes have gone home.*
5. *Host nations also benefits from a rise in national pride and happiness, lasting emotions that can pave the way for progress in domestic and international affairs. Specially built structures such as new stadiums inspire people to appreciate their country's accomplishments, contributing to the welfare of the country.*
6. *Of course, hosting international sporting events involves certain risks, such as terrorism. Large gatherings of people are easy targets, and the prospect of gaining mediate attention draws the interest of terrorist groups eager t make their point. Still, this problem can be handled with increased security measures, and host nations can rely on international support in this endeavor.*
7. *Though hosting international sporting events carries some degree of risk, the benefits in the short and long term far outweigh the disadvantages.*
