**Sample answer:** 答えを作る時の参考にして下さい。

Man, through the ages, has undergone many changes from the time when he depicted a herd of mammoths on the walls of his cave to these days when he can create beautiful pictures by use of computer technologies without leaving his favorite chair.

What should we expect in the 21st century? I think that the pace of our life will speed up: we will move faster from one place to another, from one continent to another using high speed jet airplanes. Moreover, computers will be everywhere. Many people will have chips and mini computers inserted in their heads to hold huge amount of information and have a
