Sample answer 答えを作るときの参考にして下さい。 : \_ | believe teenagers have some free times while studying and they should get themselves involved in the real world by working. \_ The first reason why this is so beneficial is that it promotes the ability to have responsible interactions with adults in a working environment. It is important they are going to be prepared to be like them in the next few years. \_ The second reason is that it uses up beneficial times for busyness. It is true that some students do have free times and times like these should be used up than they be eaten with boredom or worse by wrong associations. \_ Finally, this experience will develop in them maturity in one's character, develop strength
