Sample answer: 答えを作る時の参考にして下さい。 _ Much has been said about how anti-social the Internet and mobile phones are. The truth is however, according to new research, communication technology is bringing people closer together. _ Family members were keeping in regular contact today more than ever before. And this is all down to e-mail, chat, our smartphones and SMS messaging. It makes sense _ Years ago, it took a long time to write a letter, then find an envelope and go to the post office to buy a stamp and post it. Today we write mails while we wait for our change in the convenience store and they're sent in an instant. _ Having free Internet telephone calls also helps us to stay in touch more often and for longer. Everyone's at it, from five-year-old to tech-savvy grandparents. Thus, technology has a very positive effect on communication within families. 140words
