Sample answer 答えを作るときの参考にして下さい。 : Telecommuting is the most popular way of communicating now. First thing that society is benefitted by telecommuting is its rapidity and convenience anytime, anywhere. Advanced technology seems to have made electronics available at fingertips. We can sleep with it and carry them wherever we are. The second point is that this form of communication has dramatically made communication hugely less costly especially on overseas calls. We now say goodbye to pricey long-distance calls. The third way that makes this most benefitting to society is its resourcefulness. Any questions we have over something, whether it be about the latest news, the weather, can be easily googled
