Please refer this sample answer when you make an answer, then write your answer below.

Sample answer 答えを作るときの参考にして下さい。 : _ In my opinion, men and women should have the same educational opportunities. However, I do not agree with the idea of accepting equal proportions of each gender in every university subject. _ Having the same number of men and women on all degree courses is simply unrealistic. Student numbers on any course depend on the applications that the institution receives. If a university decided to fill courses with equal numbers of males and females, it would need enough applicants of each gender. _ In reality, many courses are more popular with one gender
