Your name or ID: _____ Date _____ Teacher: _____

TOPIC The most important thing about a job is how much money you earn in that job. Do you agree or disagree?

POINTS

- Importance of work
- Effect of Underpaying Jobs
- Factors affecting over working
- Job satisfaction

Please refer this sample answer when you make an answer, then write your answer below.

Sample answer 答えを作るときの参考にして下さい。 : _A vast majority of our adult life is spent working; hence, it is important that we have an appropriate job that fulfills our aspirations. While financial compensation is an important factor that attracts individuals towards a specific work, I disagree that it is the most significant factor that makes a job ideal. _While majority of people earn their livelihood from their workplace, it will be difficult for individuals with a single source of income, to make their ends meet, from underpaying jobs. _On the other hand, to glorify higher earning as the sole determiner of an ideal job is incorrect. This is because of various other factors like work and life balance, working place culture, and adequate recognition
