エッセイ形式で高得点を取るにはフォームを守る事が大切です。小論文と同じく序論→本論→結論という構成で組み立てる必要があります。難しい書き方よりも、採点する方が見て分かりやすいかどうか、素直な目で客観的に考える事をお勧めします。

2: POINTS が設定されました。

トピックに関して 4 つの文や単語が POINT として記載されその内 2 つの単語を使いようになります。完全に把握している単語を選んで文を創作することが大事です。

Do you think that Japanese companies need to improve their treatment of female workers?

Points

- **Child raising**
- **Job opportunities**
- **Salary**
- **Success of the company**

Sample Answer

Although Japanese companies have made great progress in their treatment of female workers more needs to be done, especially in terms of child raising and salaries.

Today, many female employees stop working to raise children. However, if companies implemented flexible schedules or provided assistance with daycare this would not be necessary. This would allow variable female employees to continue contributing to their firms while raising children.

Unequal salaries are also a big problem. Average pay rates are much higher for men

本論と理由② 40～50 語程度 / おすすめ！POINTS の内の一つの単語を使う！

Unequal salaries are also a big problem. Average pay rates are much higher for men than for women, and even highly educated women tend to earn less than their male counterparts. However, women are just as capable as men, so this is unfair.

結論 20 語程度 / TOPIC から単語を拾う。序論に少し変化を持たせる又は他の単語で少し言い換えてまとめる。

Women make up a large part of Japan's workforce and are crucial to the success of its companies. So it is essential that they are paid more and that it become sassier for them to continue working while raising children.

過去問その3 2016年第1回より

TOPIC: It makes sense that some working in sport and entertainment earn much more money than professionals like doctors, nurses and teachers.

Points

- rarity
- effort
- talent
- opportunity

Sample Answer

I **totally agree with** the idea that it is justifiable for athletes and entertainers to earn more than other professionals do. **Let me tell you why I think so.**

To start with, let us take a look at the **effort** exerted by them. They have to wake up early to build their physical strength or have to stay at the set overnight to rehearse and memorize their lines, while doctors and nurses just wait for emergencies that rarely happen.

Another point worth noting is the job opportunity. While it is true that those working in sports and entertainment bring home more bacon than other professionals, they have the thinnest opportunity to enter the job and remain there for a long time. They have to squeezed themselves in, in their tiny and highly-competed industry.

結論 20 語程度 / TOPIC から単語を拾う。序論に少し変化を持たせる又は他の単語で少し言い換えてまとめる。

Taking everything into consideration, people working in sports and entertainment industry deserve more compensation than other professionals.
